

ALPHABETICAL INDEX

TO THE

RECORDS OF THE OFFICE OF THE DIRECTOR OF THE
DEPARTMENT OF LAND RECORDS, BENGAL,

FROM

1885 TO DATE.

CALCUTTA.

BENGAL SECRETARIAT PRESS

1910

NOTE.

THE work of preparing a consolidated Register of the files of the office from 1885, and an alphabetical index volume of the subjects contained therein, was started in April 1907 and completed in March 1909. This volume contains the alphabetical indices of all important subjects contained in the files of the years 1885 to 1907, but does not profess to be exhaustive. Those files, which have since been transferred to the Eastern Bengal and Assam Government, have been indicated by the letter "T" in the column of Remarks, so that when required for reference they may be called for from the Director of Land Records of that Province. When an assistant discovers that any important subject in the files has not been incorporated in this index volume, he should prepare an index slip and make it over to the indexing assistant. The index slips of 1908 will be printed off shortly, and pasted up in their appropriate places in the volume. Before the 31st of March of every year the index slips of the files of the previous year should be got ready for printing, so that by the middle of the following May the printed index slips may be pasted up in the volume. The idea is that the index volume shall be an up-to-date reference book of all important subjects dealt with in the office.

C. C. KUMAR,
Personal Assistant.
